

BEFORE & AFTER

142-20 FRANKLIN AVENUE
FLUSHING, NY

AFTER

The Fairmont is a 7-story, 149 unit condominium building, located in downtown Flushing, Queens and near neighboring Queens College, St. John's University and Queensboro Community College.

"I needed a laundry provider that would stand by their work, while also providing exceptional service. The residents are thrilled with the new laundry room, and with the new energy efficient machines and the Hercules Mobile Pay. The previous laundry provider had let the room deteriorate and since we're now with Hercules, we've been able to "win back" previous users who had abandoned the laundry room years ago."
